LEG PAINS

So many patients complain of various aches and pains in the lower limbs. Either they tingle or feel numb, ache or burn, or sometimes just don't seem to be the legs "they used to be." Tonics and treatments don't seem to give relief and finally the patient tries to live with it. A careful examination in many instances reveals a spinal misalignment which is the cause of the disturbance.

If you have given up trying to get your lower limbs feeling good again, you might investigate chiropractic. Chiropractic has had good results in many such cases. — Adv.

Phyllis (Holly) Lyon breakfasts at Tiffany's.

Albany Woman Plays Holly Golightly

For a brief moment, Phyllis Lyon of 955 Ventura Ave. in Albany was able to emulate Holly Golightly, the carefree New York playgirl heroine of Truman Capote's best selling novel, and award-winning film "Breakfast at Tiffany's," when she took part in the KCBS Radio gourmet breakfast at San Francisco's Tiffany & Co.

Mrs. Lyon was one of three winners in a KCBS contest that asked listeners to send in their answer to "Why Would You Like to Have Breakfast at Tiffany's with Rolfe Peterson," host of KCBS' "San Francisco Tonight" show. Seated here with another winner, Harold Berliner of San Mateo, she enjoyed her dinner at an elegantly appointed table, gleaming with Tiffany silver and crystal, and surrounded by millions of dollars worth of precious jewels.

The breakfast, hosted by Peterson, began with Bonjour Aurore (champagne with orange juice), then proceeded to Oeufs Brouilles aux Perles du Périgord (scrambled eggs with truffles) and Crepes Fourées Golightly (crepes with strawberries), and coffee; all created by Ernie's Restaurant.

In addition to winning the breakfast with Peterson, Mrs. Lyon was also awarded tickets to the St. Francis Theatre, which began a re-run of the famous motion picture; and an RCA Victor album of the "Breakfast at Tiffany's" soundtrack.

CAMPBELL GOES EAST

James M. Campbell, secretary of Albany Moose Lodge No. 1972, will attend the Administration School to be held for Moose lodge secretaries at Harrisburg, Pa., on Nov. 13 and 14.

S.F. Symphony Presents Free Youth Concert

Albany children have been invited to the San Francisco Symphony Orchestra's unique "Musical Christmas Present" at 1 p.m. Wednesday, Dec. 22, at San Francisco's Civic Auditorium.

This special youth concert, to be led by Verne Sellin, regular conductor-commentator of the youth series, is free of charge.

The musical Christmas gift to Bay Area youngsters will give many of them their first opportunity to hear the San Francisco Symphony in a live concert.

According to Joseph A. Scafidi, manager, some tickets of the 7,000 total will be held for local charitable institutions, but the majority of tickets will be distributed to children simply by persons sending in their requests and a self-addressed, stamped envelope to: "Christmas Tickets, San Francisco Symphony, Opera House, 94102."

Parents holding tickets will be admitted provided they are accompanied by children. There is a limit of six tickets per order; groups larger than six will be given consideration if an explanatory letter accompanies ticket requests.

The concert program will be announced at a later date.

COUNCIL

(Continued from Page 1)

and shall be ineligible for employment by the U.S. or any department thereof, for the next five years following conviction.

It further stated that such conduct has given aid and comfort to the enemies of the United States contrary to the Constitution and that the District Attorney, Sheriff, and law enforcement officers of Alameda County have warned that there is danger of riots and disorders if further Viet Nam Day Committee marches are held, and that the University (a tax supported institution) has permitted facilities to be used for these purposes and have cost the taxpayers of the county in excess of \$106,000 for additional departmental services.

So the resolution calls for cessation of the proposed demonstration be urged by the Governor, Board of Regents of U.C. and the President of U.C.; that the Attorney General of the U.S. be urged to enforce the Criminal Code; that Alameda County and cities within the county be reimbursed by the State from funds appropriated for U.C. for the expenses as a result of previous demonstrations.

The second resolution, to be adopted for passage was recommended by the Council.

mended by the City of San Mateo. It expressed support and devotion to the members of the armed forces of this country fighting in Viet Nam.

Councilman Richard Clarke cast the dissenting vote against both proposed resolutions. In the first instance, he said, while he was against violation of the Constitution or illegal acts; he felt such action inflamed and took issues out of legitimate debate. Councilman Joseph Egenberger labeled his statement as "double talk" and disagreed that the issue was not one of interest in Albany. Councilman George Hein agreed. "It is a problem of the City of Albany," he said. Reference was made to the recent troop train demonstration in Albany at Masonic and Solano Avenues.

Clarke's negative vote against the second resolution was reasoned by his statement that he believed the government should "stop escalating and begin negotiating." He reminded Council

Wednesday, Nov. 10, 1965

The ALBANY TIMES . . . 3

that he is subject to call, in his military capacity, to go to Viet Nam within 48 hours, but that this does not prevent him from his right to criticize foreign policies of the government. "We should look to peaceful solutions," he said.

In other business, bids for two new police cars were opened from East Bay Chevrolet, Jim Woulfe Ford, and H. L. Moore—and were referred for recommendation to City Administrator James E. Turner; the outright donation of a 10x250 foot strip of land located on the northwest corner of Portland and San Gabriel Ave. by Jerome Blank, 1530 Solano Ave. to be used as a landscaped area or a small neighborhood park—the letter was referred to Turner with copies to be sent to the Park and Recreation Department; a resolution to

be drawn up appointing Mrs. Bernice Potter as full time Library Assistant; a resolution passed appointing Mrs. Ruth McNair as acting head of the Albany City Library; filing of petitions requesting reconsideration of the application of a permit for Patron Services Cooperative, Inc., a taxi cab company; and denial to S. D. Wilkins for the repair of driveway at 1316 Portland Ave. because it would establish a precedent.

Decision Resolution of Intention 65-Z-1, held over from last week, was passed 3-2 with Mayor Howell and Councilman Joel Parker voting against the decision.

The refund of overpayments of taxes on properties acquired by BARDT was authorized as was cancelling taxes on properties also acquired by BARDT.

Marin PTA Planning Gold Rush Days for Nov. 13

Members of Marin PTA under the supervision of Mrs. Charles Paul, are a very busy group planning and working toward a successful carnival Saturday, Nov. 13.

Mrs. Carl "Quick Draw" Fosselius will be on hand doing the lovely sketches of children, which have been so popular to parents in the past. She has also very kindly offered to do posters. Any other person or persons with artistic ability would be more than welcome to help her.

Mrs. Phillip Martin has donated an elegant floral arrangement, which is on display at Marin School. This can be yours by counting the buttons on Mr. Gold-rush's suit.

Mrs. L. Holcomb is in charge of gift ideas, Christmas decorations, etc., and says all that she needs to make this look authentic is a potbelled stove.

Mrs. Wendell Smith, food chairman, announces a meeting on Oct. 27, combined with the usual workshop at Mrs. Paul's house, 802 Contra Costa Ave. Anybody

interested in food or crafts and loaded with ideas, is asked to be present.

The popular spoon dinner, from 4 p.m. to 7 p.m., will be bigger and better than ever, so plan on taking all the children, dad, mother, and all the neighbors.

Mrs. Alan Hoffman has charge of the plant booth and Mrs. Robert Flavin has promised fabulous games to appeal to both young and old alike. We are looking for Gold Rush props, pictures, and music (to be taped), to add to the spirit of the day.

Those who might be able to help or furnish any ideas of Gold Rush Days please come forward and contact Mrs. Charles Paul, Mrs. Wendell Smith or Mrs. Robert Flavin.

Above all, do not miss the fabulous "Gold Rush Days" at Marin School Saturday, Nov. 13.

Mr. and Mrs. Donald M. Jackson

Niehaus-Jackson Nuptials Celebrated at Northminster

Northminster Presbyterian Church was the scene of the wedding ceremony of Mari-Ann Niehaus and Donald M. Jackson.

The bride, daughter of Mr. and Mrs. Herbert A. Niehaus, wore a white crepe sheath with a full length veil. She carried the same handkerchief her mother had carried when she was married, and the jewel neckline of her gown was enhanced by a

string of pearls that were a gift of the groom. Her bouquet was white roses and carnations. Her attendant was Mrs. Carl Udall, her aunt, who wore shocking pink chiffon over taffeta with a headress of matching pink chiffon roses. She carried pale pink roses and carnations. Marilyn was given in marriage by her father.

The groom, son of Mr. and Mrs. George Jackson of Texas, chose as his best man the bride's brother, Kenneth E. Niehaus.

The wedding, officiated by Rev. James Hubbell, and the home reception following it, were small because of the groom's recall to Viet Nam with the U.S. Navy SS Ticonderoga.

Rev. James Smith To Address High Twelve

The Reverend James Comfort Smith, Pastor of St. John's Presbyterian Church in Berkeley since 1954, will be the speaker at the noon luncheon of the Albany High Twelve Club at Kirby's Restaurant, El Cerrito Plaza on Friday, Nov. 12. His subject will be, "Reflections of Africa—1965."

The speaker leads tours to interesting parts of the globe. His group of 17 this summer, included Judge Paul Peek and Robert Porter, on a tour of South and East Africa. His reflections are not propaganda, but facts as he saw them. The peoples there are attempting to build nations; they have problems, and perhaps we are expecting too much of them. A few colored slides will be shown.

The local club invites members of the Masonic Fraternity and their friends to attend.

Editor:

To each and every resident within the boundaries of our city, Albany Lions extend a most sincere thank you for their marvelous support during our recent door-to-door light bulb sale.

The project was one of the most successful staged by the club and our members are truly appreciative to our many new friends who helped in making it so.

Profits have improved our youth and welfare fund considerably, thus aiding the blind and distressed, sponsoring of Little League, high school football banquet for the varsity and the student speakers contest are made easier for us to support in the proper manner.

One of the objectives of Lionsism is to assist in building a better community. To do this experience has proven a club must be active and participate to the fullest extent within the bounds of the Lions Constitution. Since the granting of our charter in 1943 the Albany Lions have endeavored to do just this and we are proud of our efforts.

But though the Albany Lions' accomplishments are many, our most cherished reward is the knowledge the people of this city have always been there with the extended hand of friendship when called upon.

Once again, thank you for the wonderful generosity.

Sincerely,
WILLIAM POTTS
Lions-A-Thon Chairman
Public Relations Chairman
